Dear Mr. Robison:

On March 28, 2006 the Fillmore Field Office (FFO) of the Bureau of Land Management (BLM) received a copy of your Notice of Exploration for the Cricket Mountain Dolomite Exploration project. This letter is to acknowledge the receipt of your notice as well as to request more information. We understand that you have contracted an archaeologist to survey the project area. In order to complete your notice we will need the report from the contracted archaeologist. If this is not available we will need to have the drill pad sites and the access routes flagged as well as a map of the specific locations to enable our archeologist to conduct the survey.

If you have any questions or concerns please contact Matt Rajala at (435) 743-3124.

Sincerely,

Matthew Rajala
Natural Resources Specialist
